Thank you for supporting the 9th Annual Swing for Safety.

LANSINGAREA Safety Council
Chapter, National Safety Council

We appreciate your support

The Lansing Area Safety Council is a not-for-profit, nongovernmental, public service organization and Chapter of the National Safety Council. Since 1939, our mission has been to promote safety through education. This includes child/school safety, traffic safety, home/community safety and occupational safety. Directly, we service over 13,000 people each year, as well as the indirect affect that safety has on countless more family members, co-workers, and motorists.
